# women. for girls

**Y.E.S.S.** stands for Youth Empowerment Self-Sufficiency. This program is offered at the Girls Inc. center during the summer to girls ages 9 to 12. Girls learn how to open and operate their own businesses in a mini-society setting.

The **Y.E.S.S. Luncheon** is an opportunity for you to interact with Girls Inc. girls, shop at their businesses with Y.E.S.S. currency, vote for your favorite businesses, present the girls with awards, and enjoy an afternoon lunch in the warm summer sun.

We hope to see you there!

*Special Thanks To:  
Scharrell Jackson and  
Jim Birmingham*
