2024 COLLEGE SHOWER

*Celebrating 150 college
bound girls on the road to
higher education*

WHAT IS A COLLEGE SHOWER?

This annual event celebrates girls in our College Bound program who have completed intensive college and career readiness training and have recently been accepted to top colleges and universities around the country.

Each girl is honored and receives a tote filled with essential items to support them in their first year of college. Blankets, notebooks, chargers, safety keychains, hygiene products, and more – all make a big impact to these girls as they embark on their college journey.

YOU'VE GOT OPTIONS!

Make a donation to help fill our girls' tote bags with essential items.

Purchase a gift from the Amazon Wish List. Each girl will be able to select one special gift at the College Shower.
