

GIRLS INC. OF ORANGE COUNTY

2022-23 GIRLS ARE COLLEGE BOUND

Girls Inc. of Orange County's (GIOC) College Bound: Grad Lab is a six-month intensive, comprehensive college readiness program for high school senior girls. Its purpose is to support girls in establishing their personal and academic goals to be a competitive college applicant and a successful college student. In the Fall of 2022, **170** girls received Girls Inc. College Bound: Grad Lab programming. **Results show...**

“

To be honest, I have no idea what I would have done without Grad Lab. The support I have received from this program, and the coordinators, has allowed me to enhance my writing skills and also my confidence. Without this program, I would have not been able to show my authentic self on my college applications. Being with other amazing, hardworking girls really motivates you to do your best. This opportunity has been one of the best opportunities I have ever taken.
